

HOSPICE PROVIDERS: COVID RELIEF OPTIONS

During the public emergency for COVID-19, the provider associations have worked with state and federal governments to provide financial relief for our long term service and support providers. In an effort to assist our members with the complexity and varying options available, we have created this quick reference sheet for current funding relief available. Please note, frequently asked questions documents referenced below are updated often. The information provided is current as of August 29, 2020.
