

NHSN COVID-19 Vaccination Data Collection Forms for Healthcare Personnel will be Revised

New changes are coming this Fall!

What are the changes?

1. Data on the current healthcare personnel categories for question #1 **will no longer be collected**. New categories will now include:

- **Employees:** Staff on facility payroll
- **Licensed independent practitioners:** Contracted physicians, advanced practice nurses, and physician assistants
- **Adult students/trainees and volunteers:** Non-employee students/trainees and volunteers aged 18 or older
- **Other contract personnel:** Contracted staff who do not fall into any of the other denominator categories

2. Question #3.2 (offered but declined COVID-19 vaccine) and question #3.3 (unknown COVID-19 vaccination status) will now be **required**.

3. Question #4 on COVID-19 Vaccine(s) Supply will now be **optional**.

4. Facilities **will need to create** a monthly reporting plan before entering data into NHSN.

How should I prepare?

Long-term care and non-long-term care facilities should develop or update data tracking mechanisms to collect weekly COVID-19 vaccination data on these new categories of healthcare personnel.

How can I learn more?

CDC will be conducting training webinars this fall. More information on these webinars will be shared later this summer, so stayed tuned!

Who do I contact with questions?

Please send an e-mail to NHSN@cdc.gov with 'COVID-19 Vaccination Data Reporting' in the subject line.
