# Quick Reference Guide: Accessing the Provider Directory

Unless opted out on the Primary Service Address Page,
active Medicaid Providers will appear in the Provider Search
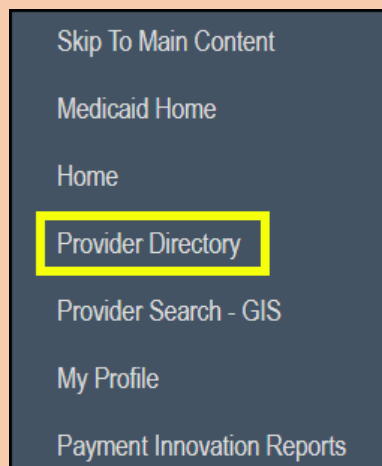

Steps:

1

Select the 'Menu' located at the top left of the toolbar, to access the menu options.

2

Under the menu option, select "Provider Directory' to access the directory of providers within the PNM system.

3

After accessing the Directory, a search menu will appear allowing a search for providers through a multitude of options. The 4 categories of search items are: Provider Information / Health Plan, Patient Details, Location, and Other Provider Details.
