

Quick Reference Guide: Accessing the Provider Public Search

*Unless opted out on the Primary Service Address Page,
active Medicaid Providers will appear in the Provider Search*

Steps:

1

Select the 'Menu' located at the top left of the toolbar, to access the menu options.

2

Under the menu option, select "Provider Search - GIS" to access the provider search function within the PNM system.

3

A screenshot of the 'Provider Search (Public)' form. The form has a title 'Provider Search (Public)' at the top. Below the title is a section labeled 'Search Criteria'. Inside this section, there is a 'Provider Type' label followed by a dropdown menu. The dropdown menu is currently empty and has a small downward arrow on the right. To the right of the dropdown are two buttons: a dark blue 'Search' button and a grey 'Clear' button.

Within the search functionality, providers can be searched by provider type.

Quick Reference Guide: Accessing the Provider Public Search

Steps:

4

Select the Provider Type you wish to search for from the drop-down menu.

5

Once the search criteria has been entered, select 'Search' at the bottom of the page to execute the search.

6

The search results will display on the map.

Hover over an icon on the map to see further details. The size of the map can be adjusted by selecting the '+' and '-' buttons on the top-left of the map.
