[illegible][illegible]

- [illegible]

Transition Coordination (TC)

Assist participants in identifying challenges and locating the resources needed for a successful move from the facility to the community. TC may include:

- Meeting with discharge planners and care teams to determine services and supports
- Finding & securing housing
- Locating and applying for additional community resources

Community Transition Services (CTS)

Funds to pay for start-up living expenses. CTS may include:

- Security deposits and rental expenses required to obtain a lease
- Essential household items
- Fees and deposits for utilities and other services
