

Advance Your Clinical Knowledge—
Become WOUND CARE CERTIFIED.

SKIN AND WOUND MANAGEMENT COURSE

This course offers an evidence-based approach to wound management to help clinicians stay current with the standards of care and legally defensible at bedside. The Wound Care Education Institute® (WCEI®) provides dynamic instructors who use engaging teaching methods proven to help students learn better and retain new material.

EDUCATIONAL COURSES FOR: LPN/LVN • RN • NP • PA • MD • DO • DPM • RD • RDN • PTA • PT • OTA • OT

Goals and Objectives

- Discuss how standards of care, evidence based practice, and a multidisciplinary wound care team can affect clinical choices in wound management.
- Discuss the basic anatomy and physiology of the skin.
- Identify at least 5 parameters required for accurate wound assessment.
- Identify pressure ulcer stages according to NPUAP guidelines.
- Identify 5 factors which enhance or impede the wound healing process.
- Explain 4 types of basic principles of wound bed preparation.
- Identify 3 major components of a nutritional assessment for optimizing wound healing.
- Identify 4 different categories for topical wound management.
- Select treatment options based upon wound assessment, etiology, and goal of wound care.
- Differentiate arterial, neuropathic, and venous ulcers in terms of causative factors, pathophysiology, appearance, and principles of management.
- Describe 3 factors involved in development of a pressure ulcer and interventions to prevent their occurrence.
- Describe at least 5 interventions that optimize acute surgical wound healing.
- Differentiate between wound etiologies and clinical manifestations of acute and traumatic wounds.
- Differentiate types of burns and principles of management.
- Select treatment options and differentiate wound etiologies and clinical manifestations of chronic, malignant, and inflammatory wounds.
- Discuss 3 adjunctive treatment modalities that enhance wound healing.
- Discuss current multidisciplinary care approaches to wound care.
- Discuss components required for accurate wound documentation.

CHANGE LIVES AND BECOME BOARD CERTIFIED

On-Site Course:

Monday, March 15, 2021 - Friday, March 19, 2021

Marriott Cincinnati Airport
2395 Progress Drive
Hebron, KY 41048

Onsite Course Agenda

Days 1-4	9:00 AM – 4:30 PM Classroom Training
Day 5	8:00 AM – 11:00 AM Board Certification Examination

WOUND CARE
EDUCATION INSTITUTE®
Powered by Relias

**ONLINE COURSE: \$2197.00 (exam fee included) w/
Member Code OHCA2020**
