The Ohio Health Care Association is the state's largest organization representing a broad spectrum of post-acute and long-term services and supports providers offering assisted living, home care, hospice, ID/DD services, and skilled nursing.

OHCA is a state affiliate of the American Health Care Association (AHCA), National Center for Assisted Living (NCAL), American Network of Community Options and Resources (ANCOR), and the National Association for Home Care and Hospice (NAHC).

Each year, our growing membership base of nearly 1,300 organizations engage with one another through various OHCA events and activities, giving business members a wonderful opportunity to build lasting relationships with key decision makers while promoting their products and services.

Our 2024 Sponsorship & Engagement Guide was created to introduce supporting companies to the wide range of opportunities we invite you to consider as you develop your business strategy for Ohio.

Thank you for considering a partnership with OHCA and our members in 2024. Whether you are new to OHCA or are continuing your commitment, we applaud your efforts to help our members achieve the finest quality care and services for the individuals they serve.
