

PREMIER Partnership:

Dedication, Communication, and a Shared Vision

Voices of our Partners...

"Premier Therapy has been an extremely supportive partner during the COVID-19 outbreak in my SNF including 24/7 updates from CMS, CDC, OHCA and LeadingAge, consistent staffing, limiting use of PPE, decreasing the risk of transmission and treating patients in their rooms."

-Brent Classen, Customer/Owner
Brentwood Health Care Center

"The assistance and support Premier Therapy has provided for our residents during the COVID-19 outbreak is unmeasurable. I cannot thank your team enough for the leadership and guidance when organizing your staff along with ours to help in EVERY way possible. Superheroes...Angels...Warriors...we will never forget what they did for us."

Paula Lussi, RN, DON
Timber Ridge Health Care Center

Strong partnerships built on **dedication**, **communication**, and a **shared vision** are essential for managing the day-to-day challenges of our business. Amidst the COVID-19 crisis, creativity and the spirit of collaboration emerged, inspiring solutions built together through these solid partnerships.

Dedication

- ✓ PT/OT/ST collaborate with nursing for mealtime treatment and support
- ✓ Bedding change treatment sessions for care planning and nursing assistance

Communication

- ✓ Video chat updates with families and caregivers
- ✓ Provide timely CDC/CMS therapy related educational updates to nursing

Shared Vision

- ✓ CNA daily tasks incorporated into therapy plans during staffing shortage
- ✓ Creative scheduling & out-of-the-box treatment strategies to reduce cross-contamination

We'll get through this together.
