**Conflict of Interest and Confidentiality Policy**

OHCA, OCID, and OCAL are dedicated to serving our members by providing a variety of services that assist members in achieving their missions. The integrity of OHCA/OCID/OCAL, and the activities they undertake, depends on the avoidance of conflicts of interest, or even the appearance of such conflicts, by the individuals involved in those activities.

Each volunteer should have reviewed the agenda for today's meeting, and if a potential or actual conflict is noted on the agenda that was not disclosed earlier, then the volunteer should immediately disclose the potential or actual conflict to the chair of the meeting.

Further, any member with a conflict agrees to recuse himself/herself from discussion and/or voting on any topics since the conflict may interfere with the volunteer's ability to provide unbiased loyalty to OHCA/OCID/OCAL.

It is understood that volunteers agree to exercise care not to disclose confidential information acquired in connection with their role and will not disclose information which might be adverse to the intent of OHCA/OCID/OCAL.

Furthermore, volunteers will not disclose or use information relating to the business of OHCA/OCID/OCAL for personal profit or advantage.
